

# HP Everyday Adhesive Matte Polypropylene, 3-in Core

## The HP large format printing system—the complete solution

HP Designjet, HP Latex, and HP Scitex Printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## High-quality prints for your day-to-day production

### Produce eye-catching displays

See outstanding image quality. Work with the wide color gamut and smooth transitions delivered by this matte polypropylene material and produce quality prints from line drawings to photo-quality POP displays.

### Gain efficiency

Help keep your production process moving smoothly. This easy-to-use film features a permanent self adhesive for secure, reliable mounting.

### Make the versatility of this material work for you

ICC profiles help you get the right color, right away. Take advantage of compatibility with Original HP Latex, dye and pigmented inks on this versatile, easy-to-use printing material.

Target customers	Applications	Benefits
Print service providers	POP and retail displays	Outstanding image quality for day-to-day production
Retail store in-house printing	Trade show and event displays	A permanent self-adhesive for secure, reliable mounting
Event designers	Temporary exhibitions	
Advertising agencies	Architecture competitions	
Geographic Information Systems (GIS)		
Government (printing self-adhesive maps)
